wariant yn cynnwys y codiad yng nghyfraniadau YG Cyflogwyr a chost y cyflenwad trydan, gan ei fod yn debyg nad oedd yr arbedion disgwyliedig yn dilyn gosod paneli solar wedi eu gwireddu. O ran incwm, nid oedd grant y Cyngor Sir wedi cynyddu ers sawl blwyddyn ac ni ellid codi prisiau nofio ymhellach gan eu bod eisoes yr uchaf yn y Sir. contributions and the cost of electricity, in that the projected savings anticipated from installing solar panels had not apparently been realised. With regard to income, the grant received from the County Council had not been increased for several years and swim costs could not be increased any further as they were already the highest in the County. It was explained that discussions with officers of the County Council were underway in order to resolve the issue of electricity costs.
